1. What is alrajhi bank Malaysia Cashline Facility-*i*?

Cashline Facility-*i* provides you with alternative financing option, which is a credit arrangement that allows you to draw, pay and redraw via a Current Account-i that you have with the Bank up to the approved limit at any time without any further notice to the Bank.

The applicable Shariah principles are Commodity Murabahah and Wakalah. You will appoint Al Rajhi Nominee (Tempatan) Sdn Bhd ("ARNT" or "Agent") as your agent to buy on your behalf, Shariah-compliant commodities from the Bank as seller at the Bank's deferred sale price (i.e. cost price plus profit at ceiling profit rate p.a.). Upon the purchase of the commodities from the Bank, the Agent will sell on your behalf, such Shariah-compliant commodities at cost price to another commodities buyer.

The ceiling profit rate ("CPR") is set at 15% p.a. However, the Bank will charge you based on the utilised amount computed at effective profit rate ("EPR", i.e. standard base rate* plus a margin). The difference between CPR and EPR will be granted as a rebate (Ibra') to you. Thus, provided EPR stays below the CPR, you are only expected to pay the profit at EPR. The Bank cannot charge you a profit at a rate more than CPR.

**The standard base rate is set as the Overnight Policy Rate ("OPR") decided by Bank Negara Malaysia. The standard base rate can rise or fall due to changes in the OPR.*
