PRODUCT DISCLOSURE SHEET: SINAR BARAQAH

(Read this product disclosure sheet before you decide to take up Sinar Baraqah plan. Be sure to also read the general terms and conditions.)

1. What is this product about?

This is a regular contribution surplus sharing universal takaful plan that offers a combination of takaful protection and savings benefits for the person covered up to age 80. It provides a lump sum takaful benefit (i.e. the sum covered) in the event of death, total and permanent disability (TPD) or double indemnity if the death or TPD occurs while performing Hajj/Umrah, plus the value of universal account as at the time of claim. Upon survival of the person covered to the end date of the contract, the value of universal account will also be payable. In addition, accidental death and TPD benefit, Badal Hajj benefit as well as a special payout are applicable for this product.

2. What are the applicable Shariah concepts?

- Between participants of the takaful fund for mutual financial assistance under tabarru' (donation) principle.
- Between the takaful operator ("Sun Life Malaysia Takaful Berhad") and participants in managing the takaful funds under wakalah (appointment of agent/representatives) principle.

3. What are the covers/benefits provided?

This plan covers:

- Death and total and permanent disability (TPD) :

Benefits	Amount payable
Death/TPD	RM90,000 plus the value of universal account as at the time of claim
Death/TPD while performing Hajj/Umrah*	Additional RM90,000 on top of the death/TPD benefit

*Additional death/TPD benefit is subject to the coverage period of 45 days for Hajj and 15 days for Umrah, or the actual travel duration, whichever is shorter.

- Badal Hajj : Badal Hajj arrangement** upon the death, TPD or diagnosis of any one of the covered 36 critical illnesses of the person covered.
- Accidental death and TPD : An additional amount of RM10,000 will be payable if death/TPD occurs due to accidental causes.
- Special payout : Lump sum amount of RM1,500 will be payable upon completion of the 3rd contract anniversary, provided non-forfeiture privilege is not triggered in the first 3 contract years.
- Final benefit : The value of universal account as at the end date of the contract will be payable.

• Our share of surplus in participants' tabarru' fund	50% of surplus, determined annually.

*** Goods and Services Tax (GST) as per Goods and Services Tax Act 2014, currently at 0%. The prevailing rate of GST is subject to change.

6. What are some of the key terms and conditions that I should be aware of?

- **Importance of disclosure** – you must disclose all material facts such as your medical condition, and state your age or date of birth correctly. If the takaful contract is intended wholly for your personal purposes, you must take reasonable care to disclose any facts that you know to be relevant to us and not to mislead us. Your above duty of disclosure continues until the contract is issued.
- **Free look period** – you may cancel your contract within 15 days of its delivery. We will refund the full contribution that you have paid, less any expenses incurred by us for any medical underwriting required.
- **Waiting period** – the eligibility for benefits under this plan will only start 30 days after the contract commencement date or last reinstatement date, whichever is later, except for critical illness conditions due to accidental injuries. For specified illnesses, the waiting period of 60 days shall
- **Specified illnesses include:**
 - i. Cancer;
 - ii. Coronary heart disease requiring surgery;
 - iii. Heart Attack; and
 - iv. Serious Coronary Artery Disease.
- **Limitation on accidental death and TPD benefit** – additional death and TPD benefit due to accidental causes will expire on the contract monthly anniversary after the person covered's 65th birthday.
- **Limitation on TPD benefit** – TPD benefit will cease on the contract monthly anniversary immediately following the person covered's 65th birthday and the maximum aggregate amount payable on TPD benefit under this contract and all other individual and group contracts/certificates by us is limited to RM2,000,000.
- **Pre-existing condition** – means any injury, illness, condition or symptom that existed during the 12 months prior to the contract commencement date or last reinstatement date, whichever is later, for which:
 - i. treatment, medication, advice or diagnosis has been sought or received;
 - ii. an ordinary and prudent person with such injury, illness, condition or symptom would have sought advice or treatment in connection with his/her health; or
 - iii. you and/or the person covered knew existed, whether or not treatment, medication, advice or diagnosis was sought or received.
- **Juvenile lien** – in the event of death or TPD before the person covered's 4th birthday, the sum covered for a death benefit or TPD benefit payable will be reduced by juvenile lien as shown in the table below:

Age last birthday on date of event	Juvenile lien - sum covered reduction	Amount of sum covered payable (RM)
Less than 1	80%	18,000.00
1	60%	36,000.00
2	40%	54,000.00
3	20%	72,000.00
4 and above	0%	90,000.00

- **Tax** – all taxes, including but not limited to any goods and services tax, and/or other forms of sales or consumption tax, whether currently in force or implemented after the date of the contract will be charged in accordance with the applicable legislation at the prevailing rate. Where necessary, we will amend the terms of the contract to take into account any such tax.
- **Universal account** – the investment profit or investment loss, if any, will be determined and distributed annually, after each financial year end. Any investment profit derived from the universal account will be distributed according to the sharing of 80% to the participants and 20% to us (profit sharing ratio). Any investment loss in universal account will be borne by the participants by debiting from the universal account. The investment return is not guaranteed and may vary according to the investment performance of the universal account.

- **Profit Equalisation Reserve (PER)** – The PER helps reduce the variability of investment returns by spreading gains and losses over several years. Using the PER, some investment profits are set aside during periods of high returns to offset losses during periods of low returns, such that overall returns are more stable over time. At any point in time, the ownership of the PER is governed by the profit sharing ratio. The determination of the PER is at our discretion. Upon termination of the contract, your rights over any unpaid portion of investment profit will be
